**CADET HEALTH CHECK REPORT 2019 – MOD SUMMARY**

1. The Annual Health Check of Cadet Forces is conducted by a small team appointed by the Council of Reserve Forces' and Cadets' Associations. It delivered its fourth report to Chief of Defence People in February 2020.
2. As last year, this report has been considered by the Youth and Cadet Steering Groups and a summary of the report produced by MOD Head Youth and Cadets for wider distribution. This summary is at the enclosure and you are requested to give it an appropriate distribution within your organisations.

Yours aye
