Dear All

It has now been over a year since we have all been able to meet at County Hall for the bi-annual Veteran Associations' Meetings. At your last meeting in October 2019, none of us could have predicted the challenges that this year would bring.

The outbreak of the coronavirus has affected us to a greater extent than many of us were perhaps anticipating earlier in the year, and life as we know it has had to be put on hold. As Lord-Lieutenant and Deputy Lieutenant of Leicestershire, we have been pleased over the past few months to see so many heart-warming examples of kindness, generosity and thoughtful human nature across our City and County, which is helping our communities stick together during this difficult time.

We are writing to you today with our good wishes to you all and hope that you have all been keeping safe and well. We are also writing to assure you that, when we can be completely reassured that it is safe, we look forward to welcoming you back to County Hall for a long overdue Veteran Associations' Meeting.

Please do let us know via the office what you have been up to and how lockdown life has impacted you personally and your association. The Lieutenancy's link with the Veteran Community is extremely important to us, and we look forward to when we can meet again.

Yours Sincerely

Mr Mike Kapur, OBE

The Lord-Lieutenant of Leicestershire

Brigadier William Hurrell

Deputy Lieutenant &
Chair of Veteran Associations' Committee
